CHAI Pre-Questionnaire

When you submit this form, it will not automatically collect your details like name and email address unless you provide it yourself.

* Required

1. What is your name? *

   Enter your answer

2. What best describes your current role? *

   ◯ Undergraduate student

   ◯ Master's student

   ◯ PhD student

   ◯ Early-career professional

   ◯ Other

3. How many years of experience do you have in design-related activities (e.g., UX/UI design, system design, HCI projects)? *

   ◯ Less than 1 year

   ◯ 1–2 years

   ◯ 3–5 years

   ◯ More than 5 years

4. Have you previously worked on projects involving children as primary users?
   *

   ◯ No prior experience

   ◯ Limited experience (e.g., coursework, short projects)

○ Moderate experience (multiple projects)

○ Extensive experience (long-term or professional work)

5. How familiar are you with designing or developing AI-based systems? *

○ Not familiar

○ Slightly familiar

○ Moderately familiar

○ Very familiar

6. Prior to this workshop, had you encountered any frameworks or guidelines related to children's agency, ethics, or responsible AI design? *

○ No

○ Yes (e.g., coursework, reading, prior projects)

7. I have a clear understanding of what *children's agency* means in the context of AI systems. *

	Strongly disagree	Disgree	Neither agree nor disagree	Agree	Strongly agree
	○	○	○	○	○

8. I feel confident distinguishing different ways in which children can exercise agency when interacting with AI systems. *

	Strongly disagree	Disagree	Neither agree nor disagree	Agree	Strongly agree
	○	○	○	○	○

9. When designing child–AI systems, I systematically consider the roles of different stakeholders (e.g., children, parents, educators, AI systems). *

	Strongly disagree	Disagree	Neither agree nor disagree	Agree	Strongly agree
	○	○	○	○	○

10. I am confident identifying how control and decision-making are distributed across stakeholders in my designs. *

	Strongly disagree	Disagree	Neither agree nor disagree	Agree	Strongly agree
	○	○	○	○	○

11. I feel confident translating abstract ideas about children's agency into concrete design decisions. *

	Strongly disagree	Disagree	Neither agree nor disagree	Agree	Strongly agree
	○	○	○	○	○

12. I know how to reflect children's agency considerations in system features or interactions. *

	Strongly disagree	Disagree	Neither agree nor disagree	Agree	Strongly agree
	○	○	○	○	○
